Streaming Video Requires the FREE RealPlayer

- Help with RealPlayer -

If your browser asks "What should I do with this file?" select "Open it", not "save it". RealPlayer should then be launched.
If your browser asks "Which application should I use to open this file?", Locate the RealPlayer plug-in.

If RealPlayer launches and says "The codec for this media type was not found." You will need to download the latest version of RealPlayer.
