This site is a community service developed by an independent filmmaker and film scholar in her spare time. If you find this site useful, consider donating money to fund the site's bandwidth and hosting costs. Large contributions could help with research, website development and perhaps provide funding for an assistant. Your generous contribution will make a real difference in our efforts to continue to promote and support the work of African American women filmmakers.

Thank you so much for considering a donation!

Your Sister in Cinema,
Yvonne Welbon
